

12 YEAR
GUARANTEE
FOR PCI PRODUCTS

PCI have been manufacturing products throughout Germany since their inception in 1950.

Highly recognized for its innovative technology, superior quality and comprehensive service, PCI has become a manufacturer of choice to tilers, builders, distributors and developers.

BASF Construction Chemicals Australia guarantees PCI Tile adhesives, waterproofing membranes, grouts and ancillary products.

When PCI products are installed in accordance with the relevant Australian/NZ standards and in conjunction with BASF Construction Chemicals Australia written application instructions, Technical Data Sheets, good trade practices and any relevant local requirements, BASF Construction Chemicals Australia guarantee their performance when applied to structurally sound surfaces.

The guarantee is for a 12 (twelve) year period from the time of application and covers only the cost of materials and labour of the original installation, if the product/s (*when used in the manner intended for its use, excepting fair wear and tear*) are proven to be faulty.
